## **Small Invoice Fee**

Dear Customer,

Please be informed that Spheros-Parabus Ltd will update the Small Invoice Fee business terms as of June 1<sup>st</sup> 2012.

An order in value of less than EUR 1000 a Small Invoice Fee of EUR 30 is added. Thus we recommend you to collect the small orders to one larger order to avoid multiple Small Fee orders to be debited unintentionally.

Once placed order, which has been confirmed in writing, is irrevocable.

Updated information and news are also available at [www.parabus.com](http://www.parabus.com)

We kindly ask you to take notice of above. Thank you.
